

Michigan Onsite Wastewater Recycling Association

ONSITE WASTEWATER FACILITY TOUR

Tuesday, October 14, 2025

Join us for an onsite wastewater treatment facility tour in the Grand Rapids area. We will be visiting two sites on this tour.

1:00PM (start of tour) Stop #1 – Start of Tour

Lowell Gas & Convenience Store – MicroFAST System & Pressure-Dosed Drain Bed

Located at 432 Lincoln Lake Ave SE, Lowell MI (corner of Vergennes / Lincoln Lake Ave).

Key Tour Ideas:

- Historical system failures
- High strength wastewater treatment
- Operation and maintenance of advanced treatment

2:45PM (approximately) Stop #2 – End of Tour

Sycamore Woods – Residential AdvanTex Treatment & Pressure-Dosed Drainfield

Located at 4610 Jane Elizabeth Drive NE, at the north end of Shear Ave NE.

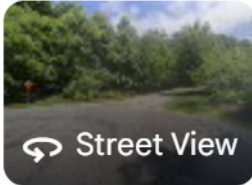

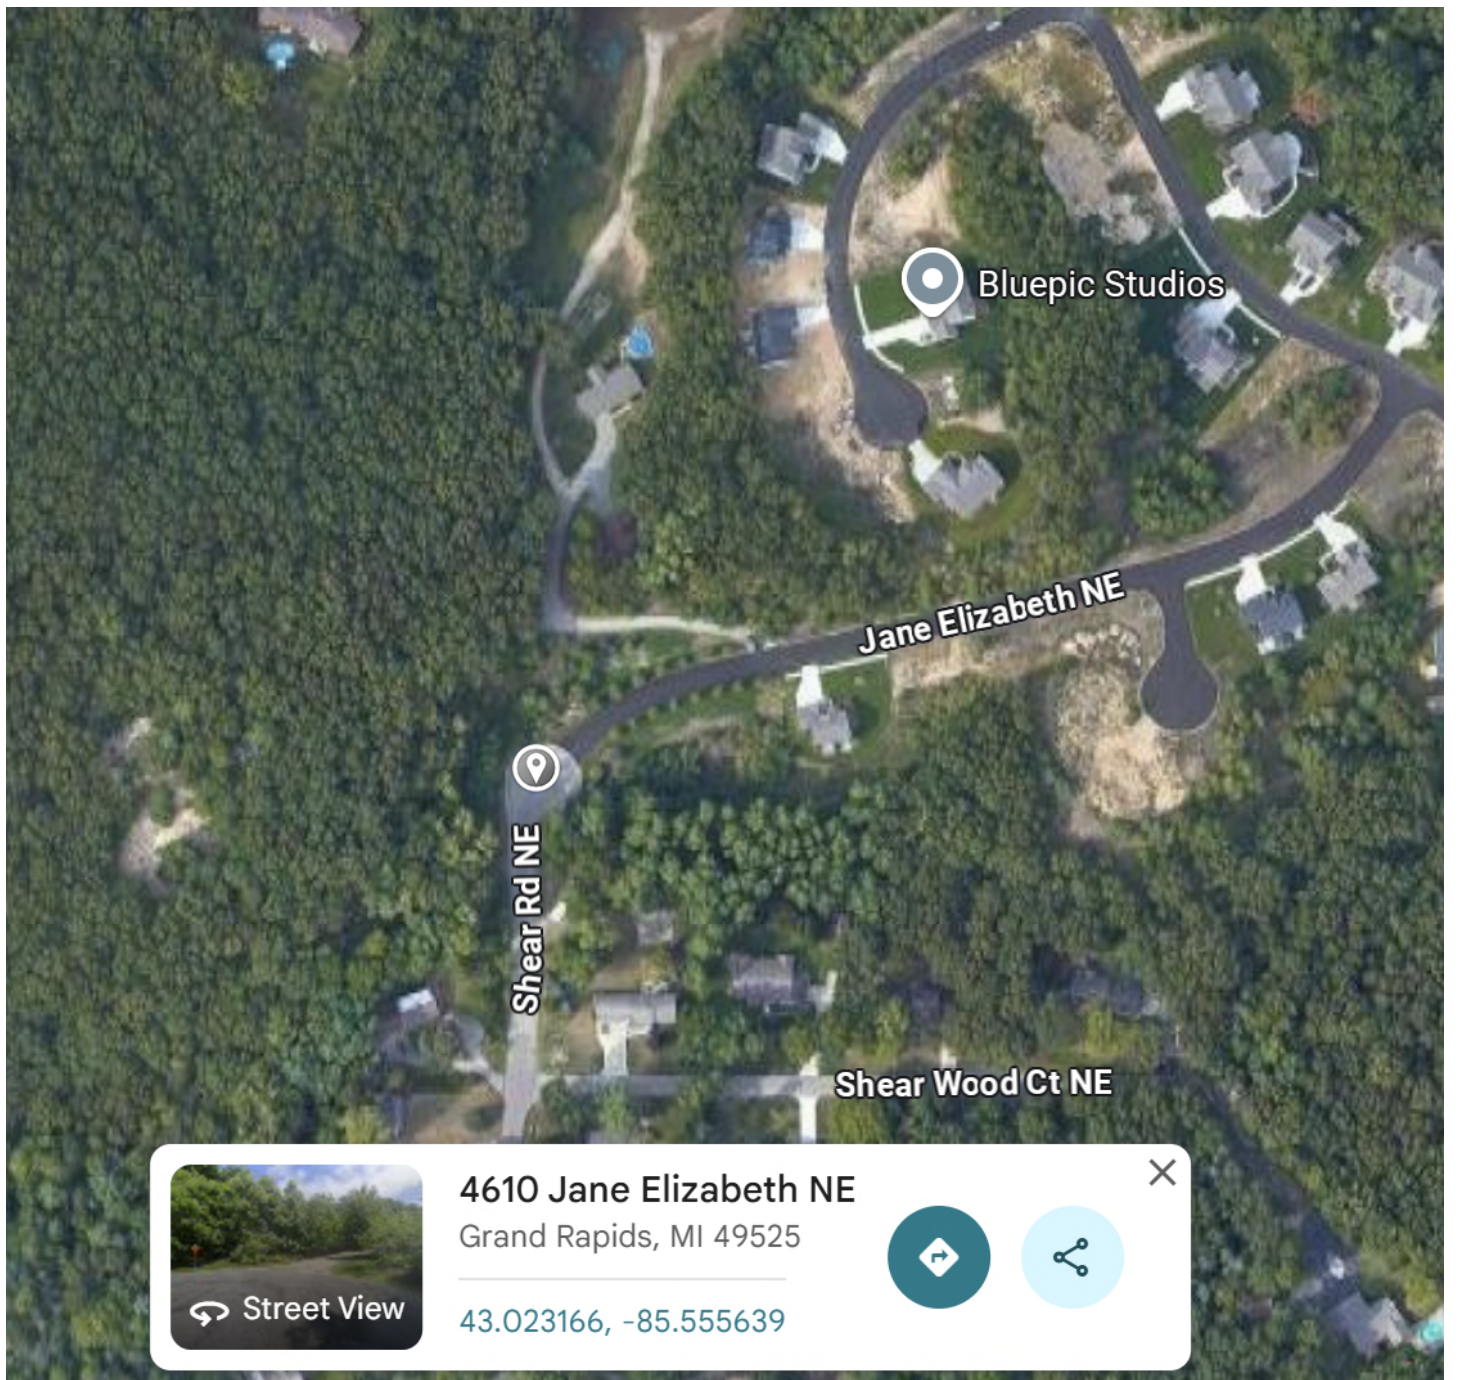

Key Tour Ideas:

- Operation and maintenance of advanced treatment
- Phased-in design and capacity
- Permit requirements & negotiations

Due to availability of parking, we **strongly recommend that guests try to carpool or rideshare** to reduce the number of vehicles at each site. **Please RSVP to Mike Stephens** via email (see below) so that we can adequately prepare for the number of guests. We may need to limit the number of cars should the number of guests grow too large.

RSVP to mikes@scssystemsllc.com (517) 897-1381 cell
